The study guide unlike any other, for the Book unlike any other, it will open your eyes to aspects of the Biblical Book of Daniel you likely never grasped before. To be certain, hardly anything contained in this book is original, but rather gleaned from many wonderful books and seminar notes. It represents the distilling of some twenty years of study on the part of the author, utilizing much prayer combined with the latest in technological study tools, a mind bent on absolute logic, and faith in the God of logic. What began as a personal exercise in flowcharting the prophecies became a concise (by no means exhaustive) resource to help others complete the journey through the prophecies without the typical voids and illogical blunders. Consistency of interpretive methodology and chronology lead the reader to find Christ as the Center of not only the book but of His-Story.

"Who am I? What is my purpose? What is my life all about?" These are questions Christian men are asking all over the world. Why is this? It is because there is something stirring deep within their being, telling them that there is more that God wants to show them about Himself and there is more of Him that they desperately need in order to answer those questions. The Journey to the Inner Chamber is a creative novel that introduces a path of discovery that will lead the reader to the answer for many of those questions.

Perfect for personal study and for all types of faith formation groups, The Lumen Fidei (Light of Faith) Study Guide is the first available resource of its kind. All Catholics will benefit from its rich commentary, reflection questions, and ideas for living more fully by the “light of faith.” This study guide is the essential companion to Lumen Fidei, Pope Francis’ s first encyclical, which was published in July of 2013. Jared Dees—author and seasoned religion teacher—leverages his expertise in education and theology to welcome Catholics into encyclicals in general and this one in particular—which Pope Francis called the “work of four hands” since it completes work started by Pope Emeritus Benedict XVI. Dees presents summaries of each section of the encyclical, in-depth commentary, reflection questions, a glossary of key terms, and suggestions for integrating the encyclical into personal or community spiritual life. Additionally, there are appendices that address Lumen Fidei for pastors, leaders of adult faith formation and RCIA, catechists, teachers, and families.

What does it mean to believe Jesus? Not just believe in Jesus, but actually believe what He said--and shape our lives around that truth? How would that affect the choices we make? The way we see the world? The way we conduct ourselves with other Christians? In this eight-session video Bible study (DVD/digital video sold separately), Lisa Harper answers these questions by looking at the lives of the believers in Acts and how Jesus' command to spread the gospel forever shaped their lives. You will hear how Peter turned tables on his Benedict-Arnold behavior and became a church-building saint when the
