The brand new, reworked Environmental Systems and Societies (SL) TestPrep Workbook is here! With essential exam practice questions for IB Environmental Systems and Societies revision, this book gives an accurate and exam-aligned experience for students. NEW in this second edition: Self assessment tables for students to mark themselves against each assessment objective! Find out which question types need more practice. With high quality support for both papers, this TestPrep book in the Revise IB series helps students to familiarise themselves with their ESS SL exams set by the International Baccalaureate. Find out information about the format of the papers and the types of exam questions that are set. Students practise answering the questions by writing directly into the book, just like they do in the real exam. In addition, as they work through, there are strategies, hints and support for answering the questions. From some excellent and unique practice questions for Paper 1 to invaluable advice from the experts on how to tackle Paper 2, this book provides essential exam practice support for students revising for their IB ESS SL exams. Students will... Understand what to expect from their ESS exam papers such as question types, how questions are assessed and how marks are assigned, plus information about the assessment objectives See example answers to Paper 1- and Paper 2-style questions - with brand new, unseen sample answers to exam-style questions and answer analysis from the point of view of an examiner. Test themselves - with FOUR complete sets of exam-style Environmental Systems and Societies practice papers (the first set includes loads of additional tips, examiner commentary and support to guide students to achieve high marks; the second and third sets have fewer helpful prompts; the last set has no additional help and is designed so students can have a go at it themselves!). Check answers - with fully-worked solutions in the back of the book. Practice exam papers are one of the best ways to make sure students feel confident, reassured and prepared for their exams. With full sets of exam-style papers to work through, Environmental Systems and Societies: TestPrep Workbook is the perfect resource for students to use as part of their exam revision - whether this is before the mock exams or before the real thing. This book can be used from the first year of the Diploma Programme.

Practice exam papers are one of the best ways to make students feel confident and prepared for their exams. With full sets of exam-style papers to work through, this Environmental Systems and Societies TestPrep Workbook is the perfect resource to use as part of exam revision - whether this is before the mock exams or before the real thing.

Equip your learners with the skills central to success. Enabling you to build, extend and perfect the skills crucial to achievement, this text strengthens performance in all areas of assessment.
