Sigmund Freud, the father of psychoanalysis, was among the first people in the world to talk about human personality and the way our mind is structured. He was the one to introduce the three important structures: conscious, subconscious and unconscious mind. Today, we have come a long way from those times and we definitely know a lot more information on how the mind functions and the way these three structures are interconnected. In this book, you will find exciting information on how the mind and the subconscious are related. Moreover, you will be able to find out about the power of the conscious mind and the important role the unconscious plays in the whole picture. The fantastic read introduces you into the world of thoughts, presents visualization as a unique technique to stimulate mind power and also provides a glimpse into the laws of attraction. It is a wonderful reading experience and one that will leave you feeling richer in the end.

Harness the power of your subconscious to create a life you desire! The Power of Your Subconscious Mind teaches us how to remove the subconscious obstacles that prevent us from achieving the success we wish for. In this book, bestselling author Joseph Murphy asserts that life events are actually the result of the workings of our conscious and subconscious minds. He suggests practical techniques through which one can change one's destiny, principally by focusing and redirecting this miraculous energy. In these pages are the ways in which one can unleash the extraordinary mental powers to acquire self-confidence, attain professional success, create wealth, build harmonious relationships, overcome fears, get rid of bad habits and promote overall well-being and happiness. Covering a variety of topics from healing to academia to riches, the author cites numerous compelling examples of the power of our thoughts and beliefs in influencing our reality. When we change our thinking and prepare our subconscious mind, we change our destiny. Joseph Murphy was an American author and New Thought minister, ordained in Divine Science and Religious Science. A popular speaker, Murphy lectured on both American coasts and in Europe, Asia, and South Africa. Murphy is considered one of the pioneering voices of affirmative-thinking philosophy.

Discover Your Subconscious Power! Historian and New Thought scholar Mitch Horowitz shines a new light on Joseph Murphy's landmark, The Power of Your Subconscious Mind, showing how to maximize Murphy's methods, reverse setbacks, and remove mental blocks. He demonstrates how current insights from mind-body medicine and quantum theory show you how to strengthen Murphy's techniques. In this powerful Master Class: • Mitch reveals posthumous letters from Murphy's readers and responds to their questions and problems; • advises what do to in the face of setbacks or failure; • writes bluntly about lifting self-imposed mental blocks that sap your abilities; • explores how Murphy's methods address the complexities of life today—and faces the facts of where they fail to and how to improve upon them; • weds current insights from placebo studies, neuroplasticity, and quantum theory to Murphy's work; • provides a comprehensive timeline of Murphy's life and little-known biographical details, including Murphy's tutelage under Neville Goddard's teacher Abdullah. Paris Match: "Mitch Horowitz, a specialist in American esotericism, traces the history of positive thinking and its influence ... takes us far from naive doctrines." HuffPost: "Has the rare gift of making the esoteric accessible to discerning masses." Boing Boing: "Horowitz comes across as the real deal: he is an authentic 'adept mind' and he knows his stuff."

One of the most widely acclaimed self-help books ever written, THE POWER OF YOUR SUBCONSCIOUS MIND has helped over one million people around the world achieve amazing goals simply by changing the way they think. Many people try to heal their lives or try to make their lives better by Affirmations or by Meditation. Many people practice writing their desired goals, but don't get the results. I was also on the same page. I practiced readymade affirmations and other modalities for many years to heal my life, I got results up to a certain extent but I was reactive and used to think and behave the same in adverse situations. My wisdom didn't work for me in adverse situations or with non-favourable people. Are you experiencing the same that I experienced earlier? In this case, not only read this book but also do all assignments given at the end of every chapter. Consider this book is like a workbook where you will learn new techniques in every chapter and you can immediately use all the tools and techniques through the assignment at the end of every chapter. Practicing readymade affirmations that someone else has created is like a general medical treatment for a specific health issue. You need to know your specific limiting beliefs or issues and address them. When I discovered 9 secrets and understood that 9 secrets will not work without understanding the science of "5 steps formulas", I could identify my conscious and subconscious limiting beliefs and as soon as I could identify them, it was very easy for me to address them through these 9 secrets. I started transforming my life. I could produce the result in the area of relationship and all other areas are impacted positively in my life too! This book offers the opportunity to identify your conscious and subconscious limiting beliefs and teach you a scientific approach to eliminate them first and prepare you to use 9 Secrets of Subconscious Mind later, through many practical examples, techniques, stories, authentic breakthrough outcomes, and assignments. ? Deliberate positive thoughts are our conscious choice and one must practice them consciously to train the subconscious mind every moment. ? Be ready to manifest YOUR desired results through the 9 secrets of the subconscious mind.
